Search Notes

Re: Beat Mats, Note Blocks

Attached are edited results from patent and nonpatent databases and the Internet.

This company's website, www.notelogic.com, says that applicant's company, Note Logic, was founded in March 2003 (see the blue-tagged page, attached.)

Everything else I found, attached, has a date after the priority date.

If you have questions or comments, let me know.

Respectfully,
Jeff
